

Product sheet – Chrysal Silk & Dried Flower Cleaner

General

- Artificial plants and flowers have many advantages. However, after a while, their colours fade and they get covered with dust and dirt.
- A product that protects artificial plants and flowers and keeps them clean.
- Safe for all silk, fabric and dried flowers and plants.
- Available in 500 ml aerosol cans.

Effects

- Cleans and freshens with just one spray.
- Dust and dirt become invisible.
- Restores lustre on contact.
- Gives a natural look.
- Beautifies and protects.
- Odourless and stainless.
- No wiping needed.
- Water based, environmentally safe.

Recommendations

- Shake well before use.
- Spray from a distance of about 30cm / 12" at room temperature.
- Do not spray on floors, wall decorations, clothes and other subjects. It is advisable to cover these before spraying.
- A monthly treatment is enough to beautify and protect.
